

# RUMSEY ISLAND RESIDENTS ASSOCIATION MEETING MINUTES

RIRA August 15, 2019

The August RIRA meeting was held at the Portside North restaurant.

The meeting was called to order by Walt Smith, RIRA president.

The boat raft-up is scheduled for August 24<sup>th</sup> at noon at Maxwell Pt.

The next RIRA meeting is set for September 19<sup>th</sup> and will be held at Ron Parker's home. RIRA will supply hotdogs and hamburgers. Everyone is asked to bring a side dish and what they wish to drink.

The RIRA Annual Crab Feast is on Oct. 5<sup>th</sup> at Portside North. There are a few tickets left. We gave Echo a free ticket in deep thanks for the beautiful quilt she has offered for raffle.

Sharon and Walt went to M&T Bank to have Walt's name placed on the checking account as back-up. At that time, they were told by the manager that our organization is not in compliance with filing State Corporate documents. Our Federal tax nonprofit status was revoked. The resident agent that had filed the last document was an Elizabeth Lewis, who no one remembers, and who no longer lives on the Island. Walt talked with Ron Parker, and he has put Walt in touch with one of his legal staff to determine how we can straighten out this issue. We will need to file papers for the last 6 years. Walt to call the State tomorrow to discuss penalty fees. We need to develop a plan to assure this gets done annually.

John Berry warned residents of a new phone scam where someone calls requesting money for a relative, where they use a dubbed voice sounding like the relative.

Our Christmas Party will be held at Baldwin's this year on December 12<sup>th</sup>. The proposed menu was passed around. They are offering good prices and good selections. We will also have our monthly meetings at Baldwins in October and November.

Barb Risacher discussed the Colonial Festival held at the Church of the Resurrection on October 19<sup>th</sup> 11-4 pm. APG will come to do an historical review; there will be vendors, reenactments, beer, wine and games.

Vince discussed the new streetlights on Towne Center Drive. Barbara is going to call BGE to see if all of the lights could be updated.
